THE WEEKLY NATIONAL REPUBLICAN

for publication, should be addressed to Wit. J. MUNTAGE, Proprietor, NATIONAL REPUBLICAN, Washington, D. C. THE NATIONAL REPUBLICAN HAS

sixty-siz cents per month, in advance.

is the old story. During the rebellion their what's the matter with the South. resolutions that the war was a failure, that we could never conquer the South, &c., added hundreds of millions to the public debt and lost thousands and thousands of

of the House Election Committee, which pending insurrection. How often similar House meets next November it should ing great headway, and are, in fact, better on this subject. Trifling upon this Mormon significant. Divided only by narrow straits question is "played out."

York Times says: "A man has no more soil; but it is strange that they are clothes." This only shows that Jennings against her tyrasnical impositions. ity of people had supposed him to be. His existed for generations among are Ameri-falsehoods concerning public men, and espe-cially concerning the leading men of the except by Cube and Porto Rico, and there ple surposed that he had been imposed their entire freedom from the so-called upor but it seems that his sins in this re"home Government." Cuba has never been all the more guilty.

The successful trial trie of the steamer Mary Washington yesterfay marks a new epoch in the commerce of the Potomac. Being owned and costrolled principally by the fruit-growers of the river section she will make a specialty of the transportation of the products of their fields and orchards to the Alexandria and Washington markets, returning with their commissary supplies. Her passenger accommodations are of the first order, and form a distinctive feature, the whole capacious upper-dock asloon and a neat cosy after-cabin being exclusively devoted to their use. We hall this introduction of the Western style of river boats upon the Potomac as a most apprictions of the future devaluments. of the magnificent agricultural and pomofavorably for her ultimate success.

said to be involved in it, and the Attorney for generations to come, and finally to im-General has resigned, to avoid the necessity pose upon the American public, through of making the unpleasant disclosures. The internal taxation at Havans and elsewhere, facts are briefly these: The Government the actual burden of carrying on the war owns a tract of land in the vicinity of against the patriots. Montreal, for which it has refused fifty thousand dollars, and the value of which is ing this mistaken policy, says: "The each year increasing. About four months ago a man named Rice purchased a tract near the same city for thirty-eight thousand dollars, which he recently sold to one Middlemiss for the sum of one hundred and sixty thousand dollars. "The increase of value to more than fourfold was very suspicious, but matters looked still wome when it was ascertained that on the day of the purchase Middlemiss transferred one half the purchased property to "the Quebec Government, in exchange for "the lot which the Government had per-'sistently refused to sell, and for which "fifty thousand dollars had just been of-

THE SOUTH. The Richmond Disputel, quoting, from this and other journals, articles in reference to the condition of the South, in which the present corrupt practices which disgrace so many of the Southern States and retard their industry have been deplored and appeals made to Republicans and the honest men of all parties to unite in the work of reform, thinks that "a change of views" has taken place in the North, and adds: "The leaders of public opinion in the "North have found that they must take a "of Spain, just before Chile and Peru WRAPPING PAPER FOR SALE "new view of Southern affairs. We say "established their independence. But this "the leaders of public opinion; for the "is not the worst sign in Cuba. A con-"leading newspapers of the North having "scription of slaves, to serve as military "changed their opinions and described the "laborers, has been ordered. The masters 313 "South with some regard to her real situ- "are, it is true, promised compensation "stion, we think we may use the term "under certain conditions at the end of the "lenders of public opinion.' We may "war, but meanwhile the slaves take a specify the New York Tribuns, the "short cut to liberty and desert to the Times, the Springfield Republican, the "enemy. To make matters still worse, "Chicago Times, the Cincinnati Commer- "the Volunteers, who swagger about the "cial, and many others. ruining themselves, returned. At the close of the rebellion the whole South missed its "Alse." Boteler is out in a card announcing fields in which to develop their enterprise, deavoring to fund the debt at a lower rate Now, for one settler in the South a thouof interest and in that way to lessen the sand go West. They prefer to meet the

CUBAN INDEPENDENCE. by the Spanish Government to the Island time to avoid it." THE Mormons, encouraged by the action of Cubs for the purpose of subduing the last session hung up the report and resolu- information has been communicated to the tion providing for the expulsion of Dele- same public in a similar manner during compel its committee to take definite action off than ever before, is, to say the least, from our own country, it is no wonder that the Cubans have made the effort to THE unnaturalized editor of the New plant the flag of freedom on their "right to distort language and trump up the last people remaining on the Amersations than he has to go into a ican continent, who have acknowledged "friend's house and sucal his books or his allegiance to Spain, to successfully rebel The is really a greater criminal than the major- condition of dependence upon Spain which State of Now York, were generally set seems to be a manifest destiny that these down to 14 ignorance of our politics. Peo- two important dependencies will soon assert upor but it seems that, which makes him recognized as an integral part of the Spanish Government, either by the monarchy or the republic and semi-republic which have

river boats upon the Potomac as a most with the insurgents, which, coupled with auspicious omen for the future development the pledge to abolish slavery, would have satisfied the demands of the people of the logical resources of this section. Her re- United States that the cursed institution caption along the river at the various plan-tations was a perfect ovation, which augurs kinent. But the Spaniards have been blind to every generous feeling and to every sense An act of official corruption has just been developed in Canada which surpasses anything done this side of the St. Lawrence for some time. Three Cabinet officers are of the island, to discount its resources

The San Francisco Chroniels, in discuss "colonies of Spain have been her ruin. While her own wast mineral possessions "have remained untouched for centuries, "her people have been demoralized by the possession of wealth for which they had not worked. The riches of Peru, wrung 'from the labors of a subject race, like an 'unearned fortune, served only to encour-'age extravagance, profligacy and idleness. 'And now it seems as if the Spaniards were on the point of losing the last important colony they possess on the shores of America. The Captain General of Cuba, 'knowing that he cannot expect any rein-'forcements from Spain, has 'recom-'mended' that a grand levy, on masss, should be made in order to carry on the war against the republicans. The Cuban Volunteers are very brave fellows, but they prefer the comforts of the seaports to the discomforts necessarily attending a fight 'with the 'rebels' in the interior of the 'island, and the Captain General is there-"fore obliged to appeal to the remaining population to submit themselves to a conscription by lot. History repeats itself. "The same appeal was made when things "were at their worst, and when they did "not mend, in South American possession organ, confesses that the South is in a "rency for patriotically parading them-

"concessions to the whites, and where "they have the power will either elect "a negro or, what is worse, a deceiving "carpet-bagger or scalawag. The short is making ready the fatted only on his scattle of the long of it is, that the Republicans "have essayed to nullify the laws of the "Creator, and force equality where it was "Impossible. That is the point."

The Dispatch must not misrepresent our position. We did not say that if they had joined the party a different state of things might have hap
